Dear Parent or Carer,

School Entry Digital Health & Development Questionnaire

Many of you will have now completed your reception class child's digital health & development questionnaire and we thank you for your support.

We have received some responses for children that are not in their reception year at school. These children will not be eligible to receive hearing and vision screening through the school nursing service and will not be seen in school by the team. Questionnaire responses for children not in reception year at school will not be actioned or saved to your child's electronic health record.

If you have a health concern for your older child or would like school nursing support, please telephone our Single Point of Access on 0300 2470090. Our opening times are Monday to Friday 09:00 – 17:00 except bank holidays.

Yours sincerely

Tiff Ferris

Professional Lead for 5 – 19 Public Health Nursing (Wiltshire and B&NES)
