Learn to Love - Love to Learn

What a fantastic start to the term this week has been.

It all kicked off on Monday when Key Stage One was overrun by swashbuckling pirates! The children had a great day searching for treasure, making boats and finding mystery messages in bottles, they even made me walk the plank! There was a lot of fun and learning as they embarked on the new topic 'What a Wonderful World'. Being pirates certainly helped them all to think about the amazing discoveries they could make.

On Wednesday we had the much-anticipated Wren Vs Sparrow netball matches. It was great to see the children applying all the skills they had learnt during last terms PE lessons and to witness the sportsmanship and team work in action. The results may not have gone in Sparrows favor but everyone who took part should be extremely proud - they certainly made it challenging for the older children in Wren.

Also, on Wednesday Swallow Class went to the Bath and West showground for the annual field to food event. They learnt a lot about where our food comes from and about other raw materials produced on farms that are harvested to make products. They even managed to get themselves herded into a pen - without the use of a sheepdog! The children, as always, were an absolute credit to our school in the way they behaved and interacted with those presenting at the event.

Next week we are looking forward to the Blackbird Inspire Session on Thursday afternoon. I know that Blackbird Class are excited to share in some learning activities with family members and hope that as many of you as possible will be able to attend. These days have become a highlight of many of the children's year made all the more memorable by sharing it with you.

Have a fantastic weekend everybody,

Mr Albrow
